Good morning, Mr. Peskin.

I'm interested in obtaining electronic copies of emails from February and March 2017 between you and/or your staff on the one hand and Karin Flood of the Union Square BID on the other hand that have to do with the revocation of an abandoned flower stand at 250 Post Street.

Thanks for your help,

p.s. For some reason the BoS public records request form isn't playing nice with my browser, hence this email.
